Alumni Feedback on Syllabus and its Transaction

REPORT

The collection of feedback on the syllabus and its transaction from the alumni was carried out from 16.08.2022 to 19.08.2022 online. Two hundred and seventeen students gave their feedback.

It has been fed back by seventy eight point three percentage of the students that their teachers possess excellent subject knowledge. Fifty eight point eight are highly satisfied with the way of transaction of the syllabus. Fifty six point two percent felt that the courses are very easy to study. Fifty seven percent have fed back that the syllabus would pave way for better employment and higher study options. Sixty seven point seven percentage have expressed that it's very easy to study the courses in English. The details related to this "Feedback" along with the Pie charts are available on the institutional website.
