Students Feedback on Syllabus and its Transaction 2021-22 -

Report

Students Feedback on Syllabus and its Transaction was collected online for the Academic Year 2021-22 16.08.2022 to 19.08.2022. 591 Students participated in this survey.

Seventy four point four percent of the students have fed back that the information given to them by their department about the syllabus and evaluation of the papers is very good. Eighty three point nine percent have expressed that the syllabus would pave way for placement. Ninety point four percent welcomed the multi-disciplinary approach of the curriculum design. Seventy three point six percent have feedback that the syllabus was challenging and Sixty six point three percent have told that about ninety to hundred percent of the syllabus was taught in the class. The details related to this feedback along with the Pie charts are available on the institutional website.
