Teachers Feedback on Syllabus and its Transaction

REPORT

The Feedback on the syllabus and its transaction was collected from the teachers 16.08.2022 to 19.08.2022 online. Sixty Faculty member gave their feedback.

Seventy six point two percent teachers have fed back that ninety-hundred percent of the syllabus covers fundamental and essential parts of the programmes. Seventy eight point six percent have expressed that about ninety to hundred percent of the syllabus could be covered with in the allotted hours. Sixty one point nine percent have fed back that about ninety to hundred percent of the students grasp easily. Sixty nine percent have told that the syllabus would pave way for better employment and higher study potions. Seventy point seven percent have expressed that the theory and practical components go entirely hand in hand with each other in science programmes and the theory and the experiential learning or project work go hand in hand with each other in other programmes. The details related to this feedback along with the Pie charts are available on the institutional website.
