Life Sketch of Patriarch
Thiru. S. PIONEER KUMARASWAMY

Thiru. S. Kumaraswamy was born on 12 October 1897 to Thiru. Sastha and Tmt. Sivakamy at Vadasery. As one hailed from a traditional and conservative family, with minimum formal education, he had to begin his career as a weaver first, a shop assistant next and a bus driver until he happened to break a new ground.

His ingenuity coupled with determination helped bring out entrepreneurial skill in him. With the support of his two brothers, Thiru. Nellaiappan and Thiru. Nagamoni, he engaged in almost all start-up ventures in the town. The companies they started and administered successfully ranged from transport to textile.

Their Champion Motor Service, named subsequently as Pioneer Bus Service, operated first from Nagercoil to Trivandrum, and then from Tirunelveli to Kanyakumari. They were successful in this new venture and continued to be in transport field until the Travancore Government nationalized the transport services. Thiru. S. Kumaraswamy succeeded in getting the out agency for Southern Railways, when there was no rail service in the region.

Commercial crops were introduced by Thiru. S. Kumaraswamy and his brothers. This successful experiment was undertaken in their estate located at Thadikkarankonam, nearly 20 kms away from Nagercoil. Palkulam Estates Ltd. was developed successfully by them. At first, tapioca and plantains were planted. It was believed that rubber trees would not be profitable in this region. Yet Thiru. S. Kumaraswamy dared to take risk and planted them in his estate. As he expected, there

arose a great demand for rubber after the Second World War. As the latex from their estate proved to be of high quality, Pioneer brothers earned a good name and fame.

Thiru. S. Kumaraswamy started Nagercoil Electric Supply Corporation in 1934. The Travancore State Government issued him license for distributing electricity for 55 years. Although, he found it difficult to get permission from the Municipal Chairman to install Nagercoil street lights, he succeeded in his attempt later. In 1956, it was also nationalized but compensation was provided.

Thiru. S. Kumaraswamy was a man of thinking and planning for years ahead. The establishment of the Pioneer Charcoal Gas Production Works in 1942 in Madras was an example. Earlier, small gas generators were produced in the Pioneer workshop at Nagercoil. When shortage of petrol occurred during the Second World War, these gas generators, fitted at the back of a vehicle, helped the people all over the State to tide over the crisis. This innovative deed was duly recognized and the Director of Industries of Madras State issued a Certificate of Commendation to him. The innovation of Thiru S. Kumaraswamy was quoted by the then President of India, Thiru. V. V. Giri, while he was laying the foundation stone for Pioneer Kumaraswamy College building in the existing premises.

Thiru. S. Kumaraswamy in collaboration with the government of British India imparted technical training to the students during the Second World War. It was named “War Technical Scheme”. Several buildings were constructed and students got stipend from the government. After the War, the buildings were used as the Technical Training Centre under the government with Thiru. S. Kumaraswamy

as its Principal during 1942 – 50. The government paid the salary and the stipend to the staff and students. The Pioneer Kumaraswamy College, founded in 1967, was initially housed in these buildings.

After obtaining heavy industry license from the government, Thiru. S. Kumaraswamy imported machineries from Toyota, Japan to establish a Cotton spinning mill, the first of its kind in the Kanyakumari District in 1958. He named it after his beloved wife Tmt. Nagammal. Thiru. S. Kumaraswamy's untimely death on 18 October 1960 came as a great shock not only to his family but to the people of the entire southern region.

By dint of hard work, he had become the first and the foremost industrialist of this region. The greatness of his peerless life is the result of his supreme sense of work ethics and deep devotion to duty.

*If I have the belief that I can do it,
I shall surely acquire the capacity
to do it even if I may not have it
at the beginning.*

Profile of the Founder
Dr. K. PADMANABHAN

Dr. K. Padmanabhan was born to Tmt. Kuzhalamony and Thiru. Kesavaperumal on 22 March 1927. After completing his secondary school education at S.M.R.V. High School, he joined in Scott Christian College to pursue the intermediate course. After his graduation in Zoology at H. H. Maharaja's College, Thiruvananthapuram, he achieved his objective of "Becoming a Medical Doctor" at Stanley Medical College, Madras in 1953. He subsequently served as Assistant Medical Officer at Catherine Booth Hospital, Nagercoil.

His marriage in 1948 to Tmt. N. Bagavathy Ammal, daughter of Thiru. Pioneer S. Kumaraswamy, the great industrialist of the District, proved augury for all his later day accomplishments.

In 1960 he took over the Management of Nagammal Mills Ltd., with his wife Tmt. N. Bagavathy Ammal as its Managing Director. The perspicacious Dr. K. Padmanabhan with his managerial skill could make the Nagammal Mills flourish even during the adverse times of slump. Establishing Kumar Medical Centre at Nagercoil in 1962 and obtaining the dealership of IOC in 1964 added to his assets and elevated his status and dignity further. He widened his contact and interests by becoming the founder President of the Lions Club of Nagercoil.

The urge in Dr. K. Padmababhan for disseminating knowledge through institutions of higher learning prodded him to float and promote Lekshmipuram College of Arts and Science at Neyyoor in 1964, as one of its founders. He was also the founder President of Vivekananda College at Agastheeswaram and Correspondent of Sri Devi Kumari Women's College at Kuzhithurai (1966-1969).

As an alumnus of S.M.R.V. High School, Vadasery, Nagercoil, he had the privilege of serving it as Manager (Correspondent) for about fourteen years (1964-78). His involvement in academia was duly recognized and he was elected to the prestigious academic bodies such as Senate, Syndicate and Academic Council of the Madurai Kamaraj University. He adorned these offices during the late 1960s and 1970s and played a pivotal role in the effective functioning of the University. He represented the University at the Medical Council of India also.

His concerted academic efforts and dedication, culminated in establishing a secular and non-commercial Higher Education Institution in after the name of his illustrious father-in-law Thiru. S. Pioneer Kumaraswamy. As founders of this institution, Dr. K. Padmanabhan and Tmt. N. Bagavathy Ammal, strove hard to repay richly to the region that reared them.

The Government of Tamil Nadu honoured Dr. K. Padmanabhan by appointing him the President of Kanyakumari Devasthanam Board. His appointment as the Area Commander of Home Guards in Kanyakumari District (1966-1969) was also in recognition of his contribution to social life of people in the district.

Dr. K. Padmanabhan passed away in May 2006. Yet the work culture, secular outlook and courage of conviction he exemplified has left behind indelible imprints. The void left by such a personage is indeed difficult to be filled. But his worthy successor and only son Thiru. P. Kumaraswamy who has taken on his mantle is carrying on the founders' noble legacy scrupulously. He and his beloved wife, Tmt. Latha Kumaraswamy, the Correspondent of The Pioneer School, have rededicated themselves to complete the unfinished tasks of Dr. K. Padmanabhan with unflinching commitment and devotion.

COLLEGE CREST

The motto “**உழைப்பே உயர்வு**” has been the quintessence of the epic life of Late Thiru. Pioneer Kumaraswamy in whose sacred memory this College has been established. The twin aspects of our endeavour are (1) Ceaseless effort for improvement and striving for excellence (2) Doing our best to deserve Divine Grace.

In the evolution of every student of this college, our College Crest is symbolized by the following:

Goddess Saraswathi inspires teachers and they taught here with light of wisdom. Her Divine presence is invoked for all academic activities of the College.

The Lighted Lamp is the symbol of the spread of knowledge. The sublimation of the senses leading to knowledge is symbolized by the flame. The flame burns steadily, indicating controlled application of the mental faculty for concentration in our stated goals.

The Arrow in the bow is a symbol of composure and perfection.

The Temple Tower symbolizing our rich cultural heritage is also an indicator of convergence of our endeavours to accomplish greater heights of glory, dignity and status.

The Swan symbolizes the repose of the infinite as distinguished from the restlessness of the individual. The ocean is reposeful while the wave is restless. To the extent possible, the individual student’s positive energy is sought to be conserved to imbibe the repose of the Divine Infinite.
