History of the College

Pioneer Kumaraswamy College, Nagercoil was founded as an aided college in the year 1967 by Dr. K. Padmanabhan and his wife Tmt. N. Bagavathy Ammal, son - in - law and daughter of Late Thiru. Pioneer S. Kumaraswamy. It was developed solely with the financial assistance provided by Tmt. N. Bagavathy Ammal, to perpetuate the memory of her beloved father Late Thiru S. Kumaraswamy, the Pioneer of Kanyakumari District in diverse fields such as agriculture, transport and textile.

The College started functioning on 1 July 1967 with Pre-University Course in the building owned by Tmt. N. Bagavathy Ammal. In 1968 - 69, the College was upgraded and Under Graduate programmes were started in Zoology and Commerce. Degree programmes in Mathematics, Physics and Chemistry were started in 1969 - 70, 1972-73 and 1975 - 76 respectively. B. A. Tamil and B. A. English were started in 1979 – 80. True to its name, the College rose to a leading position among the colleges under the jurisdiction of Madurai Kamaraj University within a brief span of 10 years. The College won the Rolling cup instituted by the Government of Tamil Nadu for two years consecutively in 1975 and 1976 for producing the best results in P.U.C. amongst colleges then affiliated to Madurai Kamaraj University. The College that moved to the present campus in 1976 was elevated to the status of a Post-Graduate institution in 1988 - 89 with the introduction of M.Com.

In the self-financing stream, B.Com. (Computer Application) was introduced in 2008-09. B.Sc. Computer Science and M.Phil. Commerce were started during the year 2009 - 10. B.A. English during 2012 -13, M.A. English and M.Sc. Mathematics during 2015 -16 were introduced. B.Sc. Mathematics was started in the year 2016 - 17.

The Department of Mathematics was elevated to the rank of a Research Centre in 2017-18. M.Sc. Chemistry and Ph. D. programme in Chemistry were added during 2018 - 19. The Department of English was upgraded as Research department in the year 2021 - 22. The Department of Chemistry offers a Career-Oriented Course titled "Rubber Technology." The Department of Commerce Ph. D., was upgraded as Research department in the year 2022 - 23.

During the year 2006-07, Bagavathi Ammal Block was constructed and Self - Financed Programmes were started to function. Nagammal Block was constructed during 2013-14 and the Library moved to its second floor. A well-furnished ICT lab is housed on the ground floor. The Moovar Block's first and second floors were completed in 2016-17 and 2018- 19 respectively. Many more development projects, both infrastructural and academic, are in the pipeline.

The College has registered development under the leadership of Thiru. P. Kumaraswamy, the present President & Secretary, Educational Agency with the able support of his beloved wife Tmt. Latha Kumaraswamy and their son Mr. Vikram Kumaraswamy also a member of College Management Committee.

Life Sketch of Patriarch Thiru. S. Pioneer Kumaraswamy

Thiru. S. Kumaraswamy was born on 12 October 1897 to Thiru. Sastha and Tmt. Sivakamy at Vadasery. As one hailed from a traditional and conservative family, with minimum formal education, he had to begin his career as a weaver first, a shop assistant next and a bus driver until he happened to break a new ground.

His ingenuity coupled with determination helped bring out entrepreneurial skill in him. With the support of his two brothers, Thiru. Nellaiappan and Thiru. Nagamoni, he engaged in almost all start-up ventures in the town. The companies they started and administered successfully ranged from transport to textile.

Their Champion Motor Service, named subsequently as Pioneer Bus Service, operated first from Nagercoil to Trivandrum, and then from Tirunelveli to Kanyakumari. They were successful in this new venture and continued to be in transport field until the Travancore Government nationalized the transport services. Thiru. S. Kumaraswamy succeeded in getting the out agency for Southern Railways, when there was no rail service in the region.

Commercial crops were introduced by Thiru. S. Kumaraswamy and his brothers. This successful experiment was undertaken in their estate located at Thadikkarankonam, nearly 20 kms away from Nagercoil. Palkulam Estates Ltd. was developed successfully by them.

At first, tapioca and plantains were planted. It was believed that rubber trees would not be profitable in this region. Yet Thiru. S. Kumaraswamy dared to take risk and planted them in his estate. As he expected, there arose a great demand for rubber after the Second World War. As the latex from their estate proved to be of high quality, Pioneer brothers earned a good name and fame.

Thiru. S. Kumaraswamy started Nagercoil Electric Supply Corporation in 1934. The Travancore State Government issued him license for distributing electricity for 55 years. Although, he found it difficult to get permission from the Municipal Chairman to install Nagercoil street lights, he succeeded in his attempt later. In 1956, it was also nationalized but compensation was provided.

Thiru. S. Kumaraswamy was a man of thinking and planning for years ahead. The establishment of the Pioneer Charcoal Gas Production Works in 1942 in Madras was an example. Earlier, small gas generators were produced in the Pioneer workshop at Nagercoil. When shortage of petrol occurred during the Second World War, these gas generators, fitted at the back of a vehicle, helped the people all over the State to tide over the crisis. This innovative deed was duly recognized and the Director of Industries of Madras State issued a Certificate of Commendation to him. The innovation of Thiru S. Kumaraswamy was quoted by the then President of India, Thiru. V. V. Giri, while he was laying the foundation stone for Pioneer Kumaraswamy College building in the existing premises.

Thiru. S. Kumaraswamy in collaboration with the government of British India imparted technical training to the students during the Second World War. It was named “War Technical Scheme”. Several buildings were constructed and students got stipend from the government. After the War, the buildings were used as the Technical Training Centre under the government with Thiru. S. Kumaraswamy as its Principal during 1942 – 50. The government paid the salary and the stipend to the staff and students. The Pioneer Kumaraswamy College, founded in 1967, was initially housed in these buildings.

After obtaining heavy industry license from the government, Thiru. S. Kumaraswamy imported machineries from Toyota, Japan to establish a Cotton spinning mill, the first of its kind in the Kanyakumari District in 1958. He named it after his beloved wife Tmt. Nagammal. Thiru. S. Kumaraswamy’s untimely death on 18 October 1960 came as a great shock not only to his family but to the people of the entire southern region.

By dint of hard work, he had become the first and the foremost industrialist of this region. The greatness of his peerless life is the result of his supreme sense of work ethics and deep devotion to duty.

Profile of Dr. K. Padmanabhan

Dr. K. Padmanabhan was born to Tmt. Kuzhalamony and Thiru. Kesavaperumal on 22 March 1927. After completing his secondary school education at S.M.R.V. High School, he joined in Scott Christian College to pursue the intermediate course. After his graduation in Zoology at H. H. Maharaja's College, Thiruvananthapuram, he achieved his objective of "Becoming a Medical Doctor" at Stanley Medical College, Madras in 1953. He subsequently served as Assistant Medical Officer at Catherine Booth Hospital, Nagercoil.

His marriage in 1948 to Tmt. N. Bagavathy Ammal, daughter of Thiru. Pioneer S. Kumaraswamy, the great industrialist of the District, proved augury for all his later day accomplishments.

In 1960 he took over the Management of Nagammal Mills Ltd., with his wife Tmt. N. Bagavathy Ammal as its Managing Director. The perspicacious Dr. K. Padmanabhan with his managerial skill could make the Nagammal Mills flourish even during the adverse times of slump. Establishing Kumar Medical Centre at Nagercoil in 1962 and obtaining the dealership of IOC in 1964 added to his assets and elevated his status and dignity further. He widened his contact and interests by becoming the founder President of the Lions Club of Nagercoil.

The urge in Dr. K. Padmababhan for disseminating knowledge through institutions of higher learning prodded him to float and promote Lekshmipuram College of Arts and Science at Neyyoor in 1964, as one of its founders.

He was also the founder President of Vivekananda College at Agastheeswaram and Correspondent of Sri Devi Kumari Women's College at Kuzhithurai (1966-1969).

As an alumnus of S.M.R.V. High School, Vadasery, Nagercoil, he had the privilege of serving it as Manager (Correspondent) for about fourteen years (1964-78). His involvement in academia was duly recognized and he was elected to the prestigious academic bodies such as Senate, Syndicate and Academic Council of the Madurai Kamaraj University. He adorned these offices during the late 1960s and 1970s and played a pivotal role in the effective functioning of the University. He represented the University at the Medical Council of India also.

His concerted academic efforts and dedication, culminated in establishing a secular and non-commercial Higher Education Institution in after the name of his illustrious father-in-law Thiru. S. Pioneer Kumaraswamy. As founders of this institution, Dr. K. Padmanabhan and Tmt. N. Bagavathy Ammal, strove hard to repay richly to the region that reared them. The Government of Tamil Nadu honoured Dr. K. Padmanabhan by appointing him the President of Kanyakumari Devasthanam Board. His appointment as the Area Commander of Home Guards in Kanyakumari District (1966-1969) was also in recognition of his contribution to social life of people in the district.

Dr. K. Padmanabhan passed away in May 2006. Yet the work culture, secular outlook and courage of conviction he exemplified has left behind Indelible imprints. The void left by such a personage is indeed difficult to be filled. But his worthy successor and only son Thiru. P. Kumaraswamy who has taken on his mantle is carrying on the founders' noble legacy scrupulously. He and his beloved wife, Tmt. Latha Kumaraswamy, the Correspondent of The Pioneer School, have rededicated themselves to complete the unfinished tasks of Dr. K. Padmanabhan with unflinching commitment and devotion.

COLLEGE CREST

The motto **உழைப்பே உயர்வு** has been the quintessence of the epic life of Late Thiru. Pioneer Kumaraswamy in whose sacred memory this College has been established. The twin aspects of our endeavour are (1) Ceaseless effort for improvement and striving for excellence (2) Doing our best to deserve Divine Grace.

In the evolution of every student of this college, our College Crest is symbolized by the following:

Goddess Saraswathi inspires teachers and they taught here with light of wisdom. Her Divine presence is invoked for all academic activities of the College.

The **Lighted Lamp** is the symbol of the spread of knowledge. The sublimation of the senses leading to knowledge is symbolized by the flame. The flame burns steadily, indicating controlled application of the mental faculty for concentration in our stated goals.

The **Arrow** in the bow is a symbol of composure and perfection.

The Temple Tower symbolizing our rich cultural heritage is also an indicator of convergence of our endeavours to accomplish greater heights of glory, dignity and status.

The **Swan** symbolizes the repose of the infinite as distinguished from the restlessness of the individual. The ocean is reposeful while the wave is restless. To the extent possible, the individual student's positive energy is sought to be conserved to imbibe the repose of the Divine Infinite.

VISION AND MISSION

VISION

Educate, Empower, Enhance and Ensure.

MISSION

- Educating to transform one's life
- Empowering with technology - based skills
- Enhancing individual's creative potential
- Ensuring quality education with ethical values.

OBJECTIVE

“Our objective is to reach the unreached”

Situated in academic back waters, this College was established with the strong desire of the founder Dr. K. Padmanabhan to serve the needs of the rural students from the disadvantaged and the marginalised sections of the society. The involvement of the management in administering the College, helps ensure fulfilment of the Institution's vision and mission. Being non-profitable institution, the College strives to achieve academic excellence by upgrading the physical and virtual facilities periodically on the campus.

- ◆ Group discussion, Objective type tests , Assignment
- ◆ Project work

EXTERNAL EXAMINATIONS

External examination will be of three hours duration for all the theory and practical papers. Students are expected to maintain utmost honesty and good behaviour during the conduct of the examination. They should maintain silence in the examination hall and co-operate in the orderly conduct of the examination.

MANONMANIAM SUNDARANAR UNIVERSITY CODE

1. If any student is found to be violating any of the rules and regulations prescribed by the university he / she will be moved to a different seat in the exam hall or even be prevented from writing the exam.

2. The invigilator concerned will seize the incriminating material, confiscate the Hall ticket, Identity Card and answer script of the student, and provide a statement of his / her own along with the student and that of the Chief Superintendent who will forward it his / her to the Controller of Examinations.

The student may be permitted to appear for the subsequent papers on condition. Later, the student will be asked to appear before the Appeals and Grievance Committee appointed by Controller of Examinations, to decide the sanctions against him / her for malpractice. The sanction will vary according to the gravity of the fault, ie., from being debarred from one paper or all the papers of one semester, or being debarred from two or three subsequent semesters if necessary.

3. Post-examination discovery of malpractice will be referred to the Controller of Examination by the Examiner. The Controller will refer the matter to the Appeals and Grievances Cell for a decision (The rules prevailing in M.S. University regarding malpractice and those framed by our Academic Council will serve as guidelines)

If a student is found indulging in malpractice in any internal assessment test she will be awarded zero for the test. Disciplinary action will be taken by the Principal if the student is caught again for malpractice.

11. Best outgoing student is identified and honoured.

ANTI RAGGING AND ANTI EVE TEASING COMMITTEE AND SQUAD

To prevent ragging and eve teasing, an anti-ragging committee and squad have been formed in accordance with government and university procedures and rules. This committee is comprised of the Principal as Convener, the Secretary as a member, and teacher representatives, as well as one SC/ST faculty member. In addition, five student members, both boys and girls, serve as student community representatives to express their concerns and make solutions to prevent or address the problems of ragging and Eve teasing among students. A local police officer also serves on the committee, which meets on a regular basis to examine campus conditions.

The committee will supervise, monitor, and take action against all forms of ragging and eve teasing on our college campus. The committee will meet once a month to assess the situation and address any student complaints before taking final action. Students who are subjected to ragging and Eve taunting should contact the Principal, HOD, or any close teacher promptly and report the situation.
