Pioneer Kumaraswamy College, affiliated to Manonmaniam Sundaranar University, Tirunelveli, is a state-aided College of Arts and Science. The College is co-educational, offering UG, PG academic and research programmes in aided and self-financed streams. The College was started by Pioneer Kumaraswamy Educational Agency, Nagercoil with a desire to offer higher education to the marginalized and the underprivileged sections of society in and around the region and has been functioning since 1967. The founders of the college Dr.K.Padmanabhan and his beloved wife Smt.N.Bhagavathy Ammal named the institution after the latter's illustrious father Thiru Pioneer S.Kumaraswamy, who hailed from a humble beginning but turned out to be a successful entrepreneur in the region. The commitment to serve the poor and the deprived has sustained the endeavours of Dr. K. Padmanabhan.

The conducive academic climate, a dedicated team of teaching and non-teaching staff and consistent good academic performance of the institution have facilitated introduction of seven UG, four PG courses. Four of our departments namely Mathematics, Chemistry, English and Commerce have been recognised as research centres by Manonmaniam Sundaranar University.
